# RBHS ELECTIVE FAIR

Explore the possibilities. Design your future.

Students at Bernardo Heights Middle School have the opportunity to experience the RB Electives Fair during Bobcat time on March 13! Students and Career Technical Education teachers from Rancho Bernardo High School will meet with 8<sup>th</sup> grade students to showcase the amazing CTE projects that have been done this year and answer any questions. Don't miss this great opportunity to learn about CTE programs at RB and connect with student leaders and CTE teachers!
