Road Map to College and Career: Post High School Options

Get started: Login to MyPLAN → Click on the Xello icon → Prompt will appear to update your email address. ***PLEASE update your email with an account you check often.***

Under **About Me**, click on the **Matchmaker** tab. Choose **get started** to the right of **Matchmaker**. Read the instructions, and then click **Launch Matchmaker**. You will be asked to identify your current selection for “What would you like to do after high school.” Please click your choice. Click **Matchmaker** to begin answering the first 39 questions. Based on your Matchmaker results, begin to research the colleges. Complete the following information regarding college options.

List THREE colleges you like and why.

--	--	--

List THREE colleges you have never heard of before and why you like them.

--	--	--

List what values these schools have that are important to you.

Do they have a major that correlates to career paths in which you are interested?

Three things you can do NOW to achieve these college and career goals.
