Dear Counselors and Advisors,

High school students in San Diego are welcome to join Summer Session at UC San Diego. Enrollment is now open!

High school students have the opportunity to learn from world-renowned faculty and engage with current undergraduate students, while focusing on challenging subjects. Students can choose from more than 100 lower division courses during two rigorous 5-week sessions.

Session 1 – July 1 to August 3
Session 2 – August 5 to September 7

Popular course topics: Biological Sciences, Chemistry, Computer Science, Economics, Engineering, History, Literature, Mathematics, Music, Physics, Political Science, Psychology, Urban Studies and Planning, and much more. Please see attached list of courses for Summer 2019.

Upon successful completion of courses, students will earn University of California credits. Credits are transferable to many institutions within the United States and abroad. To determine if a UC San Diego course is transferable, contact the institution to which students wish to transfer.

Please feel free to contact me directly should you or any parents have questions.

Sincerely,

Renée Lee
