A photograph of a red plastic bucket and a yellow plastic shovel lying on a sandy beach. The bucket is on the left, and the shovel is on the right, with its handle crossing over the bucket. The background shows a clear sky and a distant horizon line.

The Community Advisory Committee (CAC) promotes and encourages positive connections among students, parents, and PUSD by providing guidance in special education so all students become successful, lifelong learners. The CAC is an active group of individuals who care about students in special education .
