The counselors will be visiting 9th, 10th, and 11th grade classes the first three weeks of March to discuss course selection for the 2020-2021 school year. We will be providing students with a transcript, four year plan and instructions on how to use the course request system in MyPlan.

You can RSVP HERE, walk-ins are also welcome and will be seen as counselors become available.

We also have a 4-year Planning Presentation available on the Westview Counseling website, under Presentations. This gives you an in-depth look at how to use the 4-yr plan to review credits, graduation requirements, and college entrance requirements.

Important Student Transfer Information from PUSD

If you live in the Poway Unified School District boundaries and are interested in requesting a transfer to a school that is not your school of residence, you must submit a request during the transfer window of February 1 – March 31, 2020. No transfer requests will be accepted outside of this window, and no exceptions will be made. Note: if your student is currently on an Intradistrict Transfer and is moving to the next level (elementary to middle or middle to high school), he/she does not automatically move to the next school with their classmates. You must reapply for an Intradistrict Transfer. If your child is currently on an Intradistrict Transfer, his/her siblings do not automatically get into to the transfer school as well. You must apply for a separate Transfer for the sibling.
