**POWAY UNIFIED SCHOOL DISTRICT
TRANSPORTATION DEPARTMENT
PARENTS ACCEPTANCE OF RESPONSIBILITY FORM**

In an effort to assist parents with their student transportation needs, the Transportation Department may allow students access to an alternate existing school bus stop, and students who do not live within the transportable boundary for their school to access existing school bus stops for the school of attendance if their parents give written assurance that their children will be safely delivered and picked up by their parents from these existing school bus stops. Because there may be hazardous streets between the child's home and the nearest active school bus stop, **it must be understood by parents choosing to access such a school bus stop that they assume the full responsibility of providing a safe means of transportation to and from the assigned school bus stop.** The Poway Unified School District transportation fee structure is applicable. In the event that a District school bus reaches maximum capacity, students whose transportation needs cannot be accommodated will be reimbursed, applying the standard District reimbursement of fees schedule, and after appropriate notice to parent/guardian is provided.

PARENT ACCEPTANCE OF RESPONSIBILITY:

I, _____, accept full responsibility for providing safe transportation of my child, _____ to AM Bus stop # _____ located at _____ and from PM Bus stop # _____ located at _____ for transportation to/from their school of attendance _____.

I understand that providing access to an existing school bus stop within the District's transportation program is my responsibility, as my child does not live within the established transportable boundary for the school of attendance and/or I am requesting access to an alternate stop for my child.

Middle and high school students who possess a current pass, correct fare or single-ride ticket will also be eligible to ride the after-school activity bus at each location by presenting their current pass, fare or single-ride ticket; however, not every bus stop is serviced by the activity buses. High school students may ride any regular bus that services their school.
6. Students holding passes will be given priority on assigned buses. Transportation of other students will be on a space available basis only, including students who purchase single-ride tickets.

GENERAL INFORMATION

WHICH BUS TO BOARD

Ride only the bus to which you have been assigned. Riding an unassigned bus, boarding or leaving a bus at an unassigned stop may only be done by presenting the driver with dated written permission from the parent and endorsed by a school official. Students must be at the bus stop no more than five minutes before departure time. High school students may ride any regular bus that services their school.

LEAVING THE BUS AFTER BOARDING AT A SCHOOL SITE

Once a student has boarded the school bus at a school site, he or she may not leave the bus unless escorted by a school official.

SCHOOL BUS DEPARTURES

For the safety of all students and to avoid children chasing after a moving bus, once a school bus has departed from the curb, at either the school site or bus stop, the driver is not permitted to stop the bus to board late students.

WHEN THE BUS DOES NOT SHOW UP ON TIME

If you are reasonably sure that the delay is not due to weather conditions, please allow at least 15 minutes before leaving the bus stop. School buses have to endure the same rush hour traffic conditions that plague commuters. A traffic snarl, traffic accident, minimum days or a longer than scheduled loading at a previous school bus stop can easily throw your bus 10-15 minutes off schedule.

- **On extremely foggy or rainy days the buses will run late.**

- **If at the end of 15 minutes, if your bus still has not arrived, you may wish to call the Transportation**

Department at (858) 679-2535. Please be patient and don't worry—the school will be notified of the late arrival.

MUST BE MET KINDERGARTEN STUDENT

If you desire your kindergarten student not to be released at the bus stop unless an adult is there to receive them, a letter **MUST** be on file in the Transportation Department so stating. If, once a letter is on file, your child is not met the driver will return your child to school.

TWO-WAY COMMUNICATION

For student safety and route control each bus is equipped with a two-way radio. The Transportation Department is in constant communication with each bus on its scheduled runs.

If there is a problem, such as a late bus or perhaps a student riding the wrong bus, the Transportation Department will be able to contact the bus and make the necessary corrections.

LOST ITEMS ON BUSES

If a driver finds a lost item on a bus, they will attempt to return the item to the student the next school day, as we do not have a Lost & Found. Wallets, cell phones, musical instruments and purses will be turned in to the Transportation Office.

FIELD TRIPS

General rules of conduct applicable to regular home-to-school/school-to-home transportation also apply to educational, athletic and other trips. A faculty member or parent is required on each bus for each field trip.

ATHLETIC BUS TRIPS

Conduct and behavior are to remain the same as on a home-to-school/school-to-home ride. While teachers and chaperones are expected to maintain appropriate conduct of the students, the bus driver is the ultimate authority aboard the bus at all times.

Regardless of materials, cleats may not be worn aboard buses and must be replaced with appropriate foot coverings.

No food, drinks, gum, candy, sunflower seeds, etc. are to be brought aboard the buses. Food items may be loaded in the baggage compartment, if your bus is so equipped.

Dangerous objects, such as starting guns, shot puts and other loose projectiles will only be transported if the items can be safely stored either in a baggage area or stowed within a seating compartment. Other equipment must be loaded so as not to protrude into exit areas, the aisle or step well of the bus. Items cannot be transported in the aisles or be carried where they could block an emergency exit.

BUS DISCIPLINE PROCEDURES (Excerpt from Administrative Procedure 6.51.3)

Violation of the posted rules and regulations may result in the loss of bus-riding privileges. A student who rides the bus in the Poway Unified School District is disciplined in accordance with the statutes of the State of California, and will be subject to disciplinary actions for violation of any of the rules of student discipline in the Poway Unified School District, as outlined in Board Policies and Administrative Procedures 5.8 and 5.9.

Disciplinarians shall normally apply progressive discipline procedures with:

1. The first offense, a warning;
2. The second offense, five school days of bus-riding suspension;
3. The third offense, ten school days of bus-riding suspension;
4. The fourth offense, forty school days of bus-riding suspension;
5. The fifth offense, suspension from the bus for the remainder of the school year.

However, disciplinarians shall have the latitude to increase or decrease the normal corrective measure, within reason, considering the student's age, frequency and severity of offense, and other patterns of behavior. In cases where the disciplinarian determines that the student's behavior causes a danger to persons or property, the student may be immediately suspended from ridership.

BUS PASS VIOLATIONS (Excerpt from Administrative Procedure 6.56.2)

The following standards of progressive actions regarding abuse/misuse of school bus ridership privileges are established, and are separate from other disciplinary measures:

1. Using, or attempting to use, an expired pass:
 - a. First Offense: A warning referral shall be issued.
 - b. Second Offense: Bus privileges shall be suspended for one week.
 - c. Third Offense: Bus privileges shall be suspended for two weeks.
 - d. Fourth Offense: Bus privileges shall be suspended for the remainder of the school year.

2. Using, or attempting to use, a stolen, found or forged pass or a fake single-ride ticket, borrowing a bus pass or altering one's own temporary or permanent pass:
 - a. First Offense: A warning referral shall be issued.
 - b. Second Offense: Bus privileges shall be suspended for two weeks.
 - c. Third Offense: Bus privileges shall be suspended for the remainder of the school year.

3. Loaning a bus pass:
 - a. First Offense: The pass will be confiscated and retained in the Transportation Office until a parent and the student make an appointment to reclaim the pass. A warning referral shall be issued.
 - b. Second Offense: A prorated refund will be issued to the parent and bus riding privileges shall be suspended for the remainder of the school year.

Possession of any pass, not the property of the possessor, shall constitute prima facie evidence of improper possession. Use or attempt to use the pass shall be reason to exercise disciplinary measures as in paragraph 2 or 3 above.

VIDEO CAMERAS

Most of our school buses are equipped with video cameras to record student behavior. District Administrative Procedure 6.51.10 outlines how these cameras will be used.

**ESCORTED CROSSOVER INSTRUCTIONS FOR
KINDERGARTEN TO 12TH GRADE**

1. Wait until instructed by the school bus driver that it is safe to cross.
2. When directed by the school bus driver, students must cross between the bus and the school bus driver, directly to the opposite side of the street.
3. Students must also be escorted across the street in the morning if they arrive at the stop after the bus has arrived. The student must wait until the students waiting at the bus stop have boarded the bus, then the bus driver can properly shut down the bus to do the escorted crossover.

SCHOOL BUS SAFETY RULES

We have adopted the format of the six pillars from the Character Counts Program to define the behavior we expect from students on school buses. Please take the time to review these rules with your children and impart to them the safety issues behind each of these expectations and how important it is for them to not distract the school bus driver while the bus is in motion.
