TK/Kindergarten Enrollment Information

Tuesday, May 2, 2017 8:00am - 2:00pm
Location: Multi-Purpose Room

Student's Date of Birth:	Placement:
On or before Sept. 1, 2012	Kindergarten
Between Sept. 2 and Dec. 2, 2012	Transitional Kindergarten (TK)

Kindergarten age students who were born between 6/1/12 and 9/1/12 who wish to enroll in TK will need to get on the wait list which opens on March 1, 2017. See <https://www.powayusd.com/kindergarten/transitionalkindergarten.shtml> for wait list information.

PUSD is aware of the amendment to California Education Code 48000(c) which permits districts the option to enroll students who turn 5 years of age after December 2 to be admitted to the Transitional Kindergarten program. After a review of this option, our District enrolls only students who meet the cutoff date of December 2 into the Transitional Kindergarten program.

Please visit the Poway Unified School website at <http://www.powayusd.com/> for the 2017-2018 ENROLLMENT FORMS. Forms will be available on the District website **after May 1, 2017.** (Forms printed with a revision date of **April 2016 cannot be accepted.**)

Please complete all forms ahead of time and ensure all documentation is up to date before arriving at the school.

Monterey Ridge continues to be at or near maximum capacity in all grades. Enrollment forms for TK and Kindergarten will not be accepted on a first-come, first-served basis. During this enrollment period, all students will be enrolled on a provisional basis. In the event we do not have enough space to enroll all Kindergarten/TK students residing within the Monterey Ridge attendance area, the District may consider implementing a lottery or redirecting students to other schools in the area. Only students enrolled on May 2nd will be entered into the lottery.

We will post updates on our website in the event we have a lottery for TK/Kindergarten.
