

Pomerado School Site Council 2019-2020

We need 3 more parents to serve on our School Site Council. Our school site council is comprised of staff and parents and meets several times during the school year after school. The Council is responsible for developing, monitoring and revising our school's Single Plan for Student Achievement, and increasing the understanding and communication between the school, families and district. We will be working together to improve academic achievement through the compliant and efficient use of selected funds. Members are voted in and serve for two years. If you are interested in being a part our Site Council, please fill out the application below and return it to the office by August 30.
