Poway Unified School District
2020-2021

Dear PUSD Families,

Poway Unified School District is gearing up for the beginning of the 2020-2021 school year. As PUSD prepares to begin school on September 2 in a virtual learning model, any TK-12th grade student who needs a device will be issued a PUSD Chromebook to use at home. **Please complete the form on the page below and return it to your school during their scheduled Chromebook distribution date and time. Printed copies will be available at school as well.**

HP Chromebook

The Poway Unified School District will be supplying students in grades TK-12 with an HP Chromebook device. The PUSD issued device will provide each student access to educational materials and digital learning resources. The Chromebook will allow student access to MyPlan, Canvas (formerly MyConnect), G Suite for Education (formerly Google Apps for Education), digital textbooks, and other web-based educational tools required by the curriculum.

Student Responsibility

The Chromebook is an educational tool and is intended for educational purposes only. Students are responsible for the general care of their Chromebook and for bringing their charged device for use during their instructional day unless otherwise specified.

Content/Web Filtering

Internet content will be filtered while the student's Chromebook is connected to the District's WiFi as well as other networks. No web-filtering product is foolproof or as impactful as a conversation between a student and their parent/guardian about Internet Safety and the expectations of behavior while online. PUSD will not be responsible for any problems experienced while on the Internet.

Terms of Use

The Chromebook is considered district property while the student is enrolled at school in the Poway Unified School District. The student shall return the Chromebook and power cord in good operating condition to Poway Unified School District at the designated date and time set forth by the District. If the student terminates enrollment with the District for any reason, he or she must return the Chromebook and power cord to the site/District within seven days. The District may require the student to return the Chromebook and power cord without notice, at any time and for any reason.

Use of Equipment

In accordance with Board Policy 6161.2, students are responsible for the proper care of school issued property and the equipment. Parents/guardians will be responsible for District-owned technology property that is issued to their student(s), just as they are for other District items such as textbooks, athletic equipment, or library books.
