PUSD has moved to a Districtwide Zoom for Education account to provide enhanced security and improved collaborative features for students. Please complete the steps found in the link above to authenticate your student's account. Some of you may have already completed this process. If you have not, please do so prior to September 2 to ensure your student(s) have access to all of their classes on the first day of school. If you received an email notification from Canvas to a bit.ly link, it will take you to student Zoom instructions.
