Safe, Open Hearts, Always Respectful, Responsible

Dear Stone Ranch Parents,

In preparation for the first day of school on September 2<sup>nd</sup> please carefully review the following expectations with your children.

As a student:

- I will follow my parents' and teachers' rules for using a device at home.
- I will use appropriate language while learning online, as I would in our classroom.
- I will set up and use my device in an appropriate place prior to all online meetings. (ex. sitting at a table or desk away from distractions)
- I will sit and listen respectfully during all online meetings using whole body listening. (ex. no walking around with device, not playing or eating)
- I will follow my teacher's directions and the group plan throughout the duration of online learning. (ex. muting my screen when told, only typing in "chat" when directed by teacher)
- I will respectfully comment when responding to or building on responses of my peers.
- I will use my device in a responsible way by following my teachers' digital citizenship guidelines and all Stone Ranch rules.
- My teacher, Stone Ranch Elementary School, and Poway Unified School District are not responsible for the choices I make online.

As a parent:

- I will review the expectations with my child(ren) and monitor their online participation.
- I understand that my child may appear in a recorded online meeting or lesson by my teacher. These recordings will only be shared with our class on our private learning platforms.

Thank you for all of your support helping your children access the enrichment and lessons our teachers are providing online. If you have any questions please reach out to your classroom teacher or one of us.
