

Dear Parent/Guardian:

We are pleased to introduce **Naviance Student** - a mobile-friendly, comprehensive website that you and your student can use to make plans about colleges and careers. Naviance Student is linked with Navance, a service that we use in our office to track and analyze data about college and career plans, so it provides up-to-date information that's specific to our school.

Naviance Student allows your student to:

- **Get involved in the planning and advising process** – Build a resume, complete online surveys, and manage timelines and deadlines for making decisions about colleges and careers
- **Research colleges** – Compare GPA, standardized test scores, and other statistics to actual historical data from our school for students who have applied and been admitted in the past
- **Research careers** – Research hundreds of careers and career clusters, and take career assessments
- **Create future plans** – Create goals and to-dos, and complete tasks assigned by the school to better prepare your student for future college and career goals.

Naviance Student also lets us share information with you and your student about upcoming meetings and events, local scholarship opportunities, and other resources for college and career information. In addition, the site includes a link that your student can use to send us an e-mail message. To visit our school's Family Connection site, click the Naviance tab under Parents on the Del Norte High School website: [www.delnortenhawk.com](http://www.delnortenhawk.com) or go directly to <http://connection.naviance.com/delnorte/>

\*Your **parent registration code** is your student's school ID followed by M (for mother), F (for father) or P (for additional parent/guardian). If you have questions regarding registration, please contact Sue Reich, [sreich@powayusd.com](mailto:sreich@powayusd.com) or Jamie Stone, [jastone@powayusd.com](mailto:jastone@powayusd.com), Guidance Techs.

When you visit the site for the first time, please enter your parent registration code in the New User box "I need to register" and follow the on-screen instructions to create your own account. If you do not know your registration code, please contact the counseling office for assistance. Note that your registration code may only be used once. After you have established your own account, you will sign in using the user name and password you chose during the registration process.

We hope that you will find this resource helpful. If you have further questions about Family Connection, please contact us.

Yours truly,  
DNHS Counseling Staff
