

PUSD Summer School 2022 Request Form

NAME: _____ GRADE: _____ DATE: _____
LAST FIRST M.I.

EMAIL ADDRESS: _____ TELEPHONE#: _____

COUNSELOR: Mrs. Kihneman (A-Del) Mr. Roty (Dem-J) Ms. Kennedy (K-Mt)
 Mr. Luna (Mu-Sha) Mrs. Marron (Shb-Z)

Dates: June 15th – July 29th (Session 1: June 15th – July 7th) (Session 2: July 8th – July 29th)

Facts to Consider:

- Please refer to the PUSD website for more information:
<https://www.powayusd.com/en-US/Calendars/SUMMER-SCHOOL>
- This summer school form must be turned in to Del Norte counseling.
- **Students can request one course**, if they complete that course within 16 days from the start of summer school (Session 1), they can request to enroll in a second course directly from the summer school staff.
- All courses will be offered either online either through Canvas/Zoom or Edgenuity.
- It takes approximately 30-50 hours to complete one course via Edgenuity.
- Canvas/Zoom courses run on specific session dates and have more teacher support.
- If taking courses for advancement, please remember that a summer school course may not be enough academic preparation for the next level in that subject area at the school site.
- Summer school courses are fast paced, more independent study, and less interaction/support from a teacher.
- Optional in-person tutoring will be available:
- Mon.-Thurs., 8:00 am- 12:00 pm at Twin Peaks Center-13626 Twin Peaks Road, Poway.
- **(Remediation)** Remediation/Repeating course, D or F Grade. Check the appropriate box.
- **(Advancement)** Advancement, first attempt. Check the appropriate box.

Canvas/Zoom Courses - Students tend to be more successful in the teacher guided classes. **These courses require once a week face-to-face online teacher meeting. Date and time to be determined by teacher. Biology and Spanish will have mandated in person once a week meeting.**

Remediation (√)	Advancement (√)	Course Title Summer Session 1	Remediation (√)	Advancement (√)	Course Title Summer Session 2
		Integrated Math IA			Integrated Math IB
		Integrated Math IIA			Integrated Math IIB
