<a href="#">SPSA (Single Site Plan for Student Achievement)</a>	Living document, data collection was sparse due to COVID, we will revisit, Second-Step (more information to come).	More condensed version was asked for. Too many pages and difficult to read and advise in the time allotted. Can it be reduced to a single page? Denise said she would work on that.
English Language Learners	Christina Glady presented on current status of EL's. CHES is in the process of hiring a district Impact Aid for EL support.	ELPAC testing has started for initials. Summative to begin in February. Interviews have started.
<a href="#">Safety Plan</a>	This document is to outline our response to disasters, facility concerns, and community concerns regarding safety.	Flrst fire drill was a success, but we learned that we can adjust protocols to be more efficient and a safer distance from buildings.
Volunteers	Outdoor volunteers are allowed, but must be vaccinated.	When will indoor volunteers be allowed? Denise answered that the district sets the mandates and guidelines. She predicts that soon volunteers will be allowed in classes.
Artists in Residence	In need of a PE teacher.	Garden Teacher and Music teacher have been hired and have started classes.
Impact Teachers	4th and 5th Grade Teacher Impact  *EIA total funds--\$5,920 *ELL \$8,240 --Used for Impact 1st-3rd  Donations used--\$1,196.25 (Professional Learning video that aligns with 2nd grade Core curriculum in math.)	We need everyone's help to recruit a 4th/5th grade Impact teacher.  We also need a PE teacher or Resident artist.

		short 6.
Instructional Aide Positions available	1X--3 hour/day--IA2 2X 2 hr/day--IA! 2 X Sub positions--30 hour--IA2	We are short IA staff. Please continue to ask friends/acquaintances if they'd consider taking an IA position. Both IA1 and IA2's needed.
Facilities	Living agenda item	We would like to consider beautification efforts, like murals on the wall-ball courts, shade structures, and more student-centered furniture. Denise and Mike explained that the price of shade structures is beyond what our budget could support, due to needing to go through DSA.
COVID-19 Protocols	Constant item	We follow the latest Decision-tree. All information can be found on the PUSD website.
Traffic	Dad's group to meet with Mrs. Goulart to discuss traffic. Denise to report out	Denise has met with one dad to discuss this concern. The parent is interested in starting a dad's club. Denise to follow-up with parent.

<p>Public Comment</p>		
<p>Second Step--SEL Curriculum</p>	<p>Denise Goulart provided explanation of Second Step curriculum</p>	
<p>No Place For Hate</p>	<p>Explanation of No Place for Hate purpose and mission as well as the goals of the program within the school setting.</p>	
<p>Character Counts</p>	<p>Explanation of Character Counts program's purpose. These traits are not necessarily ones that would be graded on a report card, but are still critical for student development of the whole child.</p>	

<p><a href="#">SPSA (Single Site Plan for Student Achievement)</a></p>	<p>SPSA Conclusions At-A-Glance:</p> <p><a href="https://docs.google.com/document/d/1bLbgl45LR9tthR6MA7XAeS7wZYaNCOSaLo5zEXWe0fo/edit?usp=sharing">https://docs.google.com/document/d/1bLbgl45LR9tthR6MA7XAeS7wZYaNCOSaLo5zEXWe0fo/edit?usp=sharing</a></p>	<p>Denise will share condensed version of the SPSA, as per community request.</p> <p>Denise shared that Chaparral is becoming a “lighthouse” school for the district because of our stellar data regarding ELL students.</p> <p>Attendance has become a large issue at Chaparral. It seems, from attendance coding, that the primary reason for absences has been family vacations/travel outside of the vacation days provided by the district calendar. In addition, there have been an overwhelming number of OCIS contracts coming through the office. Proposed future discussion-creating a screening system in which teachers and staff can determine if a student is capable of being successful on an OCIS contract.</p>
<p>English Language Learners</p>	<p>CHES is doing a great job with English Language Learners!</p>	<p>Shared from Christina Glady: New ELL instructional assistant- Anna. Both Christina and Anna spend a lot of time communicating with classroom teachers in order to provide the best support available. 21 students were re-classified this year!</p>
<p><a href="#">Safety Plan</a></p>	<p>We are learning with each emergency drill practice. There was some learning that took place during the earthquake drill in terms of lines crossing in front of one another.</p>	<p>Justin Frisco shared that the use of QR codes for parent sign in was great. Jenn Palmer shared that the QR code system could work for IA attendance as well.</p>
<p>Volunteers-Volunteering - how best to leverage the</p>	<p>Parents interested in volunteering have shared</p>	<p>More conversation is needed with teachers, staff, and</p>

Vehicular traffic control and safety	We are looking for more support out at the parking lot in the morning and afternoons in order to help stop unsafe or unfair parking lot practices.	CAPES approved \$1,000 for professional signs to say things such as- pull forward; critical skills only, etc.
Artists in Residence	In need of a PE teacher. We have funding by the foundation for a PE teacher.	Garden Teacher and Music teacher have been hired and have started classes.
Impact Teachers		
Character Coach Positions available	3- 15 hour/week 3--10 hour/week Total of 6 coaches needed	We need more coaches. Too much time is being used from counseling, school psychologist, and admin to supervise students. We are short 6. Facilities	Living agenda item	Our blacktop needs repair in places. There are some "trenches" on the blacktop.
DAC Information	Agenda item skipped due to issue with zoom link and DAC representatives not being present.	
Good For the Order	Justin Frisco asked if Denise is planning to reignite the Dad's group to please keep SSC in the loop in terms of needing support from SSC.
