Two PUSD students recognized in the final round of 2022 scholarship announcements

(San Diego, CA) – The National Merit Scholarship Corporation (NMSC) has released the final group of winners in the 67th annual National Merit Scholarship Program. This group, which includes 1,200 additional winners, will receive scholarships financed by colleges and universities. Among the winners are two students from Poway Unified School District.

Officials from each sponsor college selected winners who have committed to their institution from among the National Merit Scholarship Program Finalists. The scholarship awards provide between \$500-\$2,000 annually for up to four years of undergraduate study at the institution financing the scholarship. The PUSD winners of the College-Sponsored Merit Scholarships are:

David Kim, Del Norte High School Graduate

Institution – Purdue University; Probable Career Field – Software Engineering

Kyle J. Myint, Del Norte High School Graduate

Institution – University of Arizona; Probably Career Field – Computer Science

In total, 10 PUSD students have been awarded National Merit Scholarships in 2022. Over the course of the last four months, the National Merit Scholarship Corporation (NMSC) released the names of scholarship recipients in three groups. In addition to college-sponsored awards, two other types of National Merit Scholarships were offered—2,500 National Merit \$2500 Scholarships, for which all Finalists competed, and about 1,000 corporate-sponsored Merit Scholarship awards for Finalists who met criteria specified by their grantor organizations.
