School Community Saddened by Death of Poway High Student

The Poway Unified School District, along with Poway High School, is deeply saddened to report that 11th grade student Luke Lipscomb passed away. Luke was an AP student, a member of the Lacrosse Team, and well liked by his peers and staff members at Poway High School.

Poway High Principal Scott Fisher said, "We lost a wonderful Titan today. Luke was a great kid who lit up a room with his smile, humor, kindness, and intelligence. He will be sorely missed by all who knew him."

Luke's Lacrosse Team Coach Paul Sanit commented, "Luke was a wonderful stand out person who was willing to put the team and his teammates first and do anything to help us succeed." The team has decided to dedicate their season in Luke's honor.

Poway High School counselors and the Poway Unified School District Crisis Team are available to assist students and staff who may be in need of support.
