On Tuesday, September 17, 2013, a 10 News broadcast reported on a local mother's plans to hold a public "nurse in" outside the Poway Unified School District's district office on Wednesday, September 25.

The District abides by Civil Code and Education Code in balancing the rights of mothers to publically breast feed with our responsibility to provide a classroom environment that is safe and supportive of all students' learning.

PUSD respects the right for a peaceful demonstration.
