## Poway Unified moves up important registration and enrollment deadlines for 2022-23 school year

(Poway, CA) – The Poway Unified School District is encouraging current, new, and prospective families to make note of the following important deadlines for the 2022-23 school year. The windows have been moved up in order to serve families better and ensure the District can adequately plan for staffing.

### **February 1, 2022 – March 31, 2022: Inter and Intra District Transfers**

The transfer window for the 2022-23 school year is now open. This is for both intradistrict transfers\* (students who live within PUSD boundaries and would like to attend a PUSD school other than their school of residence) as well as interdistrict transfers (students who live outside PUSD boundaries and would like to attend a PUSD school). Families can go to [bit.ly/pusdtransfers](http://bit.ly/pusdtransfers) for the necessary forms and information.

*\*For families who have an incoming transitional kindergarten, kindergarten, or new student, and they want that student to go to a school other than their school of residence, they must submit a transfer during this window, even if the child is not yet enrolled. Then, when new student enrollment opens on April 1 (see below), the parents will need to enroll their child in their school of residence before the district office will consider the transfer.*

### **March 1, 2022 – March 31, 2022: Continuing Student Registration**

Continuing student registration will be conducted online from March 1 through March 31, 2022. Parents of current students will receive an email notification once the registration portal is open. A completed digital packet is required for each and every returning student to allow for proper placement for the 2022-23 school year. Parents should email their school principal if their children do not plan to return.

### **April 1 at 6am: New Student Enrollment Begins**

Enrollment for any new students (including any preschoolers entering transitional kindergarten, kindergarten, or students entering any other grade for the first time in PUSD) opens at 6am on April 1, 2022. All children entering Kindergarten must be 5 years old on or before September 1, 2022. If a child's 5<sup>th</sup> birthday is between September 2, 2022 and February 2, 2023, they will be enrollment in Transitional Kindergarten. Enrollment forms and instructions can be found at [bit.ly/pusdenrollment](http://bit.ly/pusdenrollment)
